COOLIES' UNION SINGAPORE

Long before skyscrapers pierced the sky, the cities of Asia were shaped by hands that never made the headlines.

They were the coolies; migrant labourers who laid bricks under the sun by day, and gathered over food and drink by night. Life was hard, work was heavy, but in the simplest rituals they found meaning: a shared meal, a well-earned pour, and a brotherhood that crossed languages, borders, and beliefs.

Coolies' Union is a tribute to that spirit; one of resilience, grit, and quiet camaraderie. To those who built cities with bare hands and full hearts. To the unseen hands that moved mountains and forged communities.

Created by Urban Group, Coolies' Union carries this legacy forward — not just as a bar, but as a gathering place. A modern union where stories are exchanged, spirits are lifted, and the everyday is anything but ordinary.

Here's to the builders.

Here's to the bond.

Welcome to Coolies' Union Singapore.
